As I try to fall asleep the stars start to murmur. My soul takes flight. My hopes merge with the hopes of the people. Their dreams are woven with mine. The multitude nurtured these hopes for years. My dream is to fulfill them. A strong belief. For I am a mother.
New Nepal TV - Green Room

You may open your eyes now, Madam Prime Minister.

Your hands work like magic; Shankar. No wonder I love the TV journalists even those that hound me.

Madam Prime Minister, there is a strong possibility that you'll be heckled over the food crisis in Mugu. So, remain calm while answering.

I have two points - my honesty and a practical plan. I hope the public understand.

And yet again, Aditya is foregoing his cricket match to watch my interview. I have to do my best.
Food crisis in Karnali is nothing new. It recurs every year. What’s your take on it?

Let’s not talk about the past, but I do have faith in our future plans.

The plan was made by the Government in consultation with experts. Karnali will be prosperous by itself and we are committed to prove it.

Ah, you’re right! Keep us informed on the progress and success story.

Oh, when will this show end? When will our program start?
Policemen take Shyal to the Police Station.

He has political protection. So many other things would have happened otherwise?

Police have arrested him today but they will get a call from politicians tomorrow, and we’re back to square one.

We just received news that Shyal has been released.

Don’t you think this challenges your promise to address corruption and impunity, Madam Prime Minister?

I’m committed to my word. Rest assured, if any member of my government has a hand in this scam...
If I knew you’d be badgered like this, I’d have cancelled this interview.

Its okay, Bishwas. Such discussions should happen. You used to do the same.

Asha, I feel you should pay more attention to Aditya. He was very upset yesterday.

I’m sure you know the reason. You are too busy, Asha.

Ramesh is going out of his way to compensate your absence. But what more can he do?

Mom and her surprises. I'm leaving now.

Many happy returns of the day, Sumini. This is not from me but a gift from the Prime Minister.

Can I get by without reading them? Comes with the job.

The police arrests the culprit. A politician calls and they're released in the morning!

I have immense trust and faith in you as Home Minister. But isn't this incident disappointing?

Your blog coverage on Shyla's scam was excellent. Your writing abilities are improving.

मेरी तरफ से हो, माया.

I do try, Ma'am.

वो कड़ी नीष्ठा नापी, इंग्लिश कोड भी?

Find a new angle to this story, Navin.
Aren't you friends with the Prime Minister's Personal Assistant? That student leader?

Yes, but we keep our professional lives separate.

Well, good luck with that. By the way, there's an opening for Assistant Editor. Good pay and an opportunity for an enterprising reporter.

Thank you for the update on Karnali Development Commission.

There's been a lot of progress. Rice distribution is not the only solution to the crisis.

Poverty is a challenge. It will be difficult to break that.
Poverty has become a means of earning for some people with vested interests.

The major practice around food corruption is only the tip of the iceberg.

Do you support the phase out of the food distribution, Madam Prime Minister?

This commission wasn’t formed to distribute fish. It was meant to teach the people how to fish for themselves.

Also, how are the other ministries supporting this commission?

We are working on irrigation. Godwilling, with proper attention farming will be possible all year round without drought.

Makes sense. Which crops are you focusing on?
माझ्याकडून वैशिष्ट्य व माझ्या असुरुल्लभ शेतीमध्ये नॉडवार्ने गोर विक्रेता झाला होतो. We are stressing on agriculture suited to the soil and climate there.

प्रमुखमंडळी कार्यालय, माध्यमविभाग व अभ्यास संस्थेतील भागी जियातितल्या कामांना हातात सहाय्य करणारा होता. We are also encouraging them to grow vegetables, fisheries and other commercial farming activities.

तीना जटिल किंवा आवश्यक तंत्रज्ञानाची तिक्तिक्त प्राप्त करताना त्यांना हातात देणारा होता. We are also training the public on conservation and management of herbs.

नाही म्हणजेच काम पर्यंत. The new roads are being constructed.

या काम पूर्वी माझ्या समाजसेविक परियोजनेच्या म्हते, क्रियाकलापाच्या विकासावर आहे व फलाच्या तासांत विविध प्रकारांमध्ये प्रभावकारी होते. After the completion of the roads, a community-based tourism plans will be formed. This will benefit the locals directly.
New roads are being constructed and damaged roads are being repaired.

This will help connect areas within districts and regions. I feel this will open up a lot of opportunities for trade and development.

One thing we need to understand is, we are not going to teach people to fish in dirty water.

These are good plans, but as long as we don’t clean up our act, the cycle of poverty will continue.

We may not be in power for long, but as long as we last, let’s work towards leaving a lasting impression.
There's no time to waste and my advice is that we understand this dearly. That's all for today. Thank you.

Mr. Ramhari, it is rumored that you have a hand in freeing that goon.

You cannot rely on news reports, Madam Prime Minister. They write whatever they want but let's forget about that.

By the way, I fully support your bill on gender and social inclusion.

Support me, and my party will support you.
Mr. Kamal's Residence- Compound

I've read the draft report. It seems everyone knew about Ramhari's involvement except me.

I'm on my way now to meet Mr. Malla. Any advice from your side?

Mr. Malla is a devoted party leader. But these days he's struggling to keep his party together, financially.

I don't think he will support you.

I promised to end corruption and reduce poverty.

It won't be possible to dismiss another party's leader.

So, to remove Ramhari, I have no option but to meet Mr. Malla.
Happy birthday!

I thought you would feed me but you went first.

This gift is for you!

Thank you, Nabin.

All I wanted was to meet Sumrina, spend some time with her. Instead I'm meeting the Prime Minister’s PA.

Asha, you remind me of your father. We were in jail together for sometime, during the Panchayat period.
He too loved his tea without sugar! I still remember one of his poems.

"After how many millennia the serf emerges as the master. After how many millennia the serf emerges as the master."

When will caste be washed away from the dregs of the mind? And when will the priest, the Lama and the father be released from creating strife?

"Hey heart and citizens of the earth when will you answer my question. Hey heart and citizens of the earth when will you answer my question."

After a while, I was released from jail. He gave his life for democracy.
Asha, I am happy to see you fulfilling his dreams.

I'm sure you know why we're here. I have always respected you and I will continue to do so.

But as a Prime Minister, it is my duty to ensure that law of justice applies to all.

I cannot support you, Aish. You are asking for too much. Yes, I want you to succeed in your tenure, but in this way...

Ramhari's involvement in it is very clear. To uphold the dignity of this coalition government, he needs to go.

Then help me. Help me do things that others forgot about and things that no one has done before.

We need to support each other, don't we? And this is not just about my tenure...

It also involves your party's image. We are fighting to see a better Nepal.

It’s okay. Mr. Chief Secretary is here to help us.
Asha, there’s tension within the Jan Bhawana Party. Mr. Ramhari has a bigger say than Mr. Malla.

If their party splits, we don’t know the outcome, but what’s certain is the coalition will dissolve.

The public has seen too many Prime Ministers. It would be good if this government lasts till the elections.

But if no action is taken, the people will lose trust in us.

When Mr. Malla was the Sports Minister, he dreamed of constructing international stadiums in Biratnagar, Birgunj, Nepalgunj, and Kathmandu.
तो मन्त्रालय हिंद औद्योगिको कार्य यही हो। उसकी समस्या कुछ अवर्तमान स्थिति कहीं कुछ विवेचनाहरू थे। That was the reason he bargained so hard for his party to get that Ministry. If you can work in fulfilling that dream...  

ये त सेनादेन चये नै होइन रै? Wouldn't this be a clear case of political maneuvering?  

होइन, एर फाइन मस्त म्यानस्कतमाई मन्त्र देख र व्यवस्थाहरू दुर्लक्ष। होइन रै? May be, but people and the nation will reap the benefits.
It’s a visionary plan. But you’re right, we should also take sports side-by-side.

Not just that. Such events will also boost the local economy.

It’s my dream to see international football and cricket being held in Nepali stadiums.
Yesterday, my mother told my son a story about a bird who sacrifices herself to protect her children.

—or—

Mr. Malai, I want to set a similar example for this nation and its people. I still remember your speech at Tundikhel.

—or—

You had said, “There is no greater satisfaction than serving your nation. Let no one be deprived of that service. Let no one betray one’s nation.”
I was a student then.

It is not an easy decision. I understand the risks.

To witness a crime and to remain silent are both misdemeanours. That’s not who we are; not you, not me.

And it’s not what your party represents.
The image contains a conversation between two individuals. The text is written in a mix of Hindi and English.

**In English:**
- "You're still awake?"
- "I'm confident that my daughter knows everything & is capable of making your own life decisions.

**In Hindi:**
- "सूमी, तुम्हारी मां विधान परिषद में रह रही है। उससे मेरी बहन विधायक में रह रही है।"
- "मलाई विधायक का चार चौकी ध्वनि तोती कुछ गया है। उससे मेरी बहन विधायक की शिक्षा नहीं लिया गया है।"
- "सन् 2023 का समय अनुसार जनमानस पार्टी नजर में बाधा आई है। सभी लोग सक्षम चुनाव से आया जाएगा। आगे की नजर में अपनी राजनीतिक कार्यक्रम कुछ रहेगा।"
- "संसदीय चुनाव समाप्त करने पर दूसरी चुनाव के लिए नई चुनाव लोगों के लिए संसदीय चुनाव में लागू होगा।"

**Additional Information:**
- **PM’s Residence - Bedroom:**
  - Ramesh and Asha are watching TV.

- **Singha Durbar - PM’s Office:**
  - "A split can open the doors to unity, so I’m not worried. People’s voice was loud and clear!"

- **Background:**
  - "A committee setup up by the Government is investigating the Mugur rice scam and the goon’s release."
I hope we were able to hear that voice. Hence, I’m not so worried. The job of a leader is to listen to the people.

And through your channel, I’d like to thank a friend who reminded me of this.

Mr. Chief Secretary? Kamal sir? Ramananda sir?

I am thinking of an idea, a hope which will make our lives easy and that it will also spread sympathy, love and harmony amongst the people. People have numerous hopes and dreams. And I have the dream and confidence to fulfill their hope. I am a mother.
SINGHA DURBAR – PHOTO NOVELLA

- One facilitator.
- Take photos and also seek for permission from the participants.
- It is important to set-up the projector, laptop, and episode before the participants arrive to save time.
- Share your experience and photos with us at sfcgnepal@sfcg.org.

EPISODE 5: CORRUPTION, IMPUNITY, AND FOOD SECURITY. STORY:

Prime Minister Asha’s hunger for creating an egalitarian society in which everyone is content and has enough to eat, leads her to make a tactical mistake that threatens her coalition government. A food crisis in Mugu unravels into a corruption scandal and political protection to a local don. When she discovers impunity and corruption in her own cabinet, she has to make a tough choice. While this is a defining moment for her and her government’s promise to not let go of any corrupt officials, she faces a serious consequence for the stability of the government.

QUESTIONS:
1. What is the message you got from Singha Durbar? Which part did you connect to?
2. Do you think Prime Minister Asha commitment towards corruption free government, what did you think of it?
3. What can political parties learn from Asha?
4. Do you think corruption is a problem in Nepal? Why?
5. How can corruption be curtailed in the country? How does governance connect to corruption?
