कर्त्तव्य DUTY

कर्त्तव्य के ही कर्त्तव्य मतलब होते? के ही नैसर्गिक दायित्व पाये होते? क्या रूढ़िवादी शर्माता होते हैं? जिनके ही कर्त्तव्य के ही कर्त्तव्य चलते हैं? जिनके ही कर्त्तव्य के ही कर्त्तव्य चलते हैं?

What is duty? Is it only a moral obligation? Or is it some kind of responsibility? What is my duty? How does one separate duty from the rest? How do humans decide their duties? How many know that the outcome of their choices is their duty?

The Birgunj incident was a criminal act. A fight for justice cannot be justified by murdering innocent people. Some groups want to create disturbance in this transitional phase of the peace process.

Rajpal Kumar, a member of the Venom Group, and wanted criminal, was arrested yesterday.

The Home Ministry congratulated Nepal Police on its successful operation.

Nabin, you'll have to go to Janakpur tonight. I need Rajpal Kumar's story in depth.

But, I'm working on another story...

You can do that later. This is the story that I want in the headlines.
Seeing Nevins expression Rewati motivates him by praising him about his earthquake story.

Dad, click here first, then 'Video', now can you read what the doctor told you...

What else... it's the same every time.
Dad, I went to the book fair today. I picked up some books for you.

I don’t think I have enough time to read these.

Our increased border surveillance has made it harder for armed groups to operate.

However, there has been no reduction in girl trafficking.

Haven’t we been working for years to stop this?
There are many reasons for this persistent problem and one of them is the age limit imposed on potential migrants and youth at-risk who want to work in the Gulf and other countries. The traffickers are taking advantage of this situation.

We can combat this issue by recruiting more women in the police force.

IGP Sir, please study the issue properly and submit a report on it. I’ll come up with an implementation plan based on that.

We are coordinating with NGOs/NGOs on the issue of women welfare and rights. You will have the report by next week.

Your work is truly praiseworthy. Congratulations on the Rajpal Kumar arrest.
And so is yours, Madam Prime Minister. We have not faced any political interference from your government and that's why we've been successful.
Rajpal shot at the police when he was asked to surrender. Police returned fire.

Have other members of Venom group also been arrested?

The operation is underway. Criminal gangs will not be tolerated by the government.

A year ago he escaped custody, could that happen again?
Vijay sir, after your transfer here, the crime rate drastically dropped. The average crime rate has gone down from 20 to 3. How did you do it?

You seem to be keeping track of it all.

Just as you do your job, we do ours.

When the community and police work together, we can combat crime. That's all for now, thank you.
The earth soaked with dew is fragrant this spring morning. This indefinable feeling of joy as I recollect things forgotten.

I hear again the chirping of birds that rings close to my heart.

Vijay sir, it's me, Navin. I wanted an interview with you.

Ok, come to the hospital.

What is your involvement in the Birgunj incident? Tell me what happened.
No further questions, I'm tired.

It's your chance to tell your side of the story. Tell me.

Looks like we share the same kind of spirit. If you want, you can join us. Otherwise, it's a good bye for now...

You may not get another chance to tell your story...

I won't answer any more questions. You may leave.

Mr. Navin, that's all for now. Let's go.
Many x-rays were taken of my chest, but the machine fails to capture the grief, desperation and love within.

Dad, you've always refused to talk about what happened. But for your appeal I need to know the truth.

Tell me, what really happened in Birgunj?

You were studying in India and I was transferred to a school in Birgunj.

I know. And then?

The armed groups were calling strikes time and again. We were sick and tired of the closures. On the day of the incident, my students and I called against the strike...
Everyone started to run. I don't recall everything, but some of my students and others were killed.

I don't know. There were many people who joined us. Some of them might have had weapons.

I was responsible for the incident. My students were very obedient.
We have established an Investigation Committee under the leadership of the Home Secretary, Mr. Chandra Subba. Police will file charges very soon against those responsible for these crimes.
Mr. Navin, we now have three people in the scene - Mr. Ramananda, Rajpal and Chandra Subba. Rajpal may be...

...able to tell us more. It could be enough to finally lodge the appeal. Aren't you going back to Janakpur to interview Rajpal?

Yes. I'm waiting for Inspector Vijay Kumar's call.

Ramana's Residence
Ramananda's Residence

As your lawyer, I should also come with you. But first we need to meet Mr. Ramananda.

Rajpal died this morning while attempting to escape from the hospital. He jumped from the third floor of the hospital.

Suhas Ji, did you hear the news?

How do I part with my granddaughter? What will be her memory of me? How will I explain where I’m headed?

Your article is biased, Navin.

Where’s the evidence, other witness accounts? You have no written proof of Rajpal’s statement. I can’t risk publishing a story without evidence.

But this is the truth.
My father had no involvement with those deaths. He doesn't know anything about the weapons used. Mr. Ramananda was the Home Minister that time.

He must be hiding the facts. I need your help in uncovering the truth.

Nabin, this is not the place for familial revenge.

You are under no compulsion to publish this article. I will do it my way.

You're forgetting the ethics of journalism. Navin, you need to decide...

either work for this paper or run your own blog.
Hi Sumil... Thank you. I will return it next month. See you.

What is this truth? Why does it hurt at times when concealed within?

Why does the truth veiled from the world gnaw at the heart so often? And why does the heart echo that truth in a voice so shrill?

I don’t think Ramananda sir is hiding anything.
How can you be so sure?

He has a clean image. I don’t mean your father is guilty, but it seems like someone took advantage of your father’s naivety.

Should I arrange for a meeting with Ramananda Sir?

Take this.

Thank you Sumi. I’ll pay you soon.
We’ll need to get him admitted this weekend. We’ll then plan for the bypass surgery.

And no watching the news as well. He gets so affected by it.

Stay away from anything that affects you adversely... No more carelessness!

I wonder why journalists pick on you. And who is Navin? Why is he after you?
Finally, I got Mr. Chandra Subba’s contact details.

Your plea isn’t enough. You need compelling evidence. Mr. Chandra Subba headed the investigation and was in the field as well.

This is for you.

Call him.
Navin dials the phone.

Hello, Mr. Chandra. I’m Navin Gurung from Kathmandu. I wanted to get some information you about the Birgunj incident.

I just want to know what you included in the report. I cannot find it anywhere.

The report wasn't made public. It was a sensitive time. Why don’t you file a Right to Information request?

That might be an option. Other than that, I can’t help you much.
We'll need concrete evidence. Otherwise our efforts won't work.

Hello, Nabin? Your father has been hospitalized. Please hurry.

Our party leader, Mr. Ramananda, has sent in a message.

*The government led by Asha has successfully completed nine months in office. Releasing the constitution was just a beginning.*
There is still much to do. Congratulations. Continue with the good work.

I’d also suggest preparing for general elections and redrafting the party policy on candidate nomination.

He’s proposing a greater role for our local party branches in identifying good candidates.

We need new people and we need to be more inclusive. The nation needs new and able politicians.

We’re more inclusive than others, Madam Prime Minister.

We’ll find out after this meeting. Has Ramananda sir seen the accusations against him in the Khula Nepal blog?

Yes he has. Navin is out of his mind. There’s no truth to it.
Navin has filed a Right to Information request. We've got to respond to it in 15 days.

What if we organize a press conference?

This is a great plan. Let's start with this.

This 'Gender Sensitization Program' will definitely help to increase female numbers in Nepal Police. Our objective is also to have at least 15% women in the force within a year.

Great. Keep me abreast of the developments.

Sure, Madam Prime Minister.
I’ve heard, Navin is organizing a press conference against Ramananda sir.

If this government believes in fairness and transparency, the truth will come forth.

This is an old case. Do you still hope to win it?

I will fight for justice. It’s not right for an innocent man to suffer.

My father was a principal.
who didn’t want his school to be closed all the time. He committed no crime.

**Shashikhetu Khatiwada’s Residence**

My time is nearing. Before I go, I must unravel the Birgunj mystery. All of my life, I have done what I believed was best for my country.

...and the nation would have been pushed towards conflict. It was my compulsion that sent an innocent man to prison. I hope my decision will be understood, and I’ll be forgiven.

particularly during the conflict. The killers in Birgunj could not be convicted. If Rajpal had been arrested then, the tenuous peace process would have been affected...
Don’t worry, Navin. Everything will be fine.

I'm sorry. Forgive me.

Listening to our inner voice is thus, our duty too. I'll always listen to my conscience and will not falter in my principles and status.
